Egypt's EGAS issues tender for 96 LNG cargoes

Egyptian state-owned company Egypt Natural Gas Holding (EGAS) has launched a 96-cargo LNG tender for the 2017-2018 period, a source told Gas Matters Today on Monday.

The latest tender is reportedly the largest mid-term LNG purchasing request ever issued by EGAS and includes the possibility for an additional 12 cargoes, the source added. The tender would provide roughly four cargoes each month, but specific volumes were not given.
