# Platts, ICE, TOCOM, SGX sign deals to revamp gas price benchmarks

International gas and LNG benchmark prices could be calculated differently next year under new preliminary agreements between price reporting major S&P Global Platts and commodity exchanges in Europe and Asia.

On Monday, the Intercontinental Exchange (ICE) agreed to share anonymous data from its North American gas trading activity across the Henry Hub and roughly 200 other daily and monthly locations across the continent currently assessed by Platts.
