Amec Foster Wheeler accepts Wood Group takeover bid

UK consultancy Amec Foster Wheeler has accepted an all-share takeover offer from compatriot Wood Group barely a week before the struggling London-based advisory firm was to hold a rights issue to raise much-needed capital.

The proposed GBP 2.2 billion (USD 2.6 billion) deal values Amec FM at GBP 5.64/share, equating to premium of just over 15% based on the company's closing share price on Friday.
