# Ichthys LNG embroiled in fresh subcontractor dispute

The Ichthys LNG project in Australia has been hit with a second dispute this year after subcontractor Laing O'Rourke demobilised an 800-strong team following a pay spat with Kawasaki Heavy Industries (KHI).

Laing O'Rourke said it took action after allegedly not being paid for several months, adding it "made significant efforts to resolve the matter, but direct approaches to KHI in Japan over recent weeks have failed to produce a satisfactory outcome".
