AEMO dials down alarmist rhetoric over Australian gas supply shortages

The Australian Energy Market Operator (AEMO) has played down fears of a gas supply shortfall during Australia's summer, in a marked climbdown from recent alarmist warnings of a gas supply shock over the 2018-19 summer.

In its inaugural energy supply outlook, AEMO said gas supply will remain tight over this coming summer (December-February) but production should be "just sufficient" to meet domestic demand.

"Gas availability on the supply side, together with ...
