Trafigura outlines plan to install its second FSRU in Pakistan

Trafigura is to establish its second, and possibly Pakistan's fourth LNG import project, a spokesperson for the trading house confirmed with Gas Matters Today, with the project to include a floating storage regasification unit (FSRU), moored at the Port of Qasim.

"Trafigura has a minority stake in the regasification project which uses BW Group's Integrity Floating Storage and Regasification Unit (FSRU). We plan to develop a second LNG import terminal project in Pakistan, also at...
