The SNS interview: Mark Routh and Andrew Hockey, CEO and deputy CEO, Independent Oil and Gas

Earlier this year Gas Matters examined the challenges facing operators on the UK continental shelf (UKCS) [1], and asked whether the government's new fiscal regime was too late to save the ailing sector. Now in an exclusive interview, Mark Routh and Andrew Hockey, respectively CEO and deputy CEO of Independent Oil and Gas (IOG), give us a picture of the reality of working on the UKCS as well as an insight into the company's plans for a gas hub in the Southern North Sea (SNS).
