# Osaka Gas signs long-term LNG supply agreement with Shell

Osaka Gas has been busy over the past three months, securing long-term LNG sale and purchase contracts; with Shell the latest supplier to sign a 5 year agreement to sell LNG to Japan's second largest utility. Singapore-based Shell Eastern Trading (a Shell subsidiary) agreed to sell Osaka Gas up to 800,000 tpa, for 5 years, starting April 2021. The origin of LNG supply was not confirmed.
