Altech sets 2015 start-up date for Pechora LNG on Russia's Barents Sea coast

Russian investment company Altech Group is moving ahead with plans to construct the Pechora liquefaction plant on the Barents Sea coast in the Nenets Autonomous District of north-west Russia. Chinese, Korean and Vietnamese companies are all interested in the project which could go online by 2015, Dmitry Bosov, the owner of Altech told the Kommersant newspaper.
