India's GSPC gets fourth LNG cargo from Gas Natural

India's Gujarat State Petroleum Corporation (GSPC) has taken delivery of its fourth LNG cargo under a short-term supply contract with Spain's Gas Natural. GSPC is eager to import additional spot LNG to balance a shortfall in domestic production, following an 'ongoing force majeure' that has stopped production at the Panna-Mukta fields since July. The shutdown has affected operations in the region's power and fertilisers sectors, as well as city gas distribution.
