Saudi Electricity Company decides to run 1.8 GW Qurayyah IPP on gas

Saudi Electricity Company (SEC) has finally decided to proceed with the Qurayyah IPP on gas and has qualified 14 applicants to build the plant. The CCGT power plant, located around 100 km south of Damman, the capital of the oil-rich eastern province of Saudi Arabia, will have an installed capacity of between 1.8GW and visual_editor.1GW.
