FID for Shah Deniz Phase 2 planned for mid-2011

The BP-led Shah Deniz consortium is planning to make a final investment decision (FID) by the middle of next year for the sale of Shah Deniz Phase 2 gas, Brian Hunter, BP's Qatar country manager said today at the sidelines of the EAGC conference in Berlin. "We are open-minded [on who to choose as the main buyer]," he said, adding however that there would not be enough gas to supply all current pipeline projects for Europe's southern corridor.
