## Cheniere signs another LNG contract for Sabine Pass liquefaction project

Cheniere Energy Partners has signed a Memorandum of Understanding (MoU) with two Dominican Republic companies managed by Basic Energy - Empresa Generadora de Electricidad Haina, SA (EGE) and Compania de Electricidad de San Pedro de Macoris (CESPM). This is the sixth MoU with potential partners to buy or export LNG from its planned “bi-directional facility” at the Louisiana Sabine Pass terminal.
