Gasunie to invest in €0.5 billion pipeline extensions despite difficult regulatory situation

Gasunie, the operator of a network of 15,000-km high pressure gas pipelines in the Netherlands and northern Germany, has announced that it intends to invest nearly €0.5 billion in extensions to its Dutch network. Most of the expenditure will be on a pipeline between Beverwijk (about 40-km north of Amsterdam) and Wijngaarden (east of Rotterdam).
