# Fluxys completes purchase of 19% stake in NEL from WINGAS

Fluxys G, the Belgian natural gas network operator, has completed its purchase of a 19% stake in the planned North European Pipeline (NEL) from WINGAS. The NEL is one of the two pipelines designed to take gas away from the trans-Baltic Nord Stream pipeline when it reaches the German coast at Lubmin, near Greifswald. Ownership of NEL is now split between WINGAS (51%), Gasunie (visual\_editor0%), Fluxys G (19%) and E.ON Ruhrgas (10%).
