# BG Group and Cheniere sign first US Gulf Coast LNG export agreement

BG Group has signed a sale and purchase agreement with Cheniere Energy for 3.5 mtpa of LNG over a 20-year period from the Sabine Pass LNG terminal in Louisiana, USA. The agreement is the first long-term LNG purchase agreement from a liquefaction plant on the US Gulf Coast, allowing BG Group to secure LNG volumes for export from the US to international gas markets. LNG exports are expected to commence as early as 2015.
