## RWE sees performance “trough” in “difficult” years to come

German utility RWE has reported a 44% year-on-year drop in income for the first three quarters of visual\_editor011, with chief executive Juergen Grossmann indicating a grim near-term outlook for the company. “The coming years will also be difficult for us, but I am confident that we will quickly get through the trough ahead of us”, Grossmann said.
