BG Group keeping eye on Australian LNG project developments

BG Group is keeping an eye on LNG project developments in Australia as the country continues on its path to becoming the "new Qatar". BG Group head of LNG strategy, Andrew Walker, told the CWC LNG summit in Rome that BG expected Australia to become the world's largest exporter of LNG by visual_editor0visual_editor0, but still did not believe increased capacity from new projects would be enough to bring Asian demand into balance.
