EOG says Neuquén Basin potential “could be bigger than the Eagle Ford shale”

EOG Resources CEO Mark Papa told Reuters on Wednesday that the Vaca Muerta shale oil and gas play in Argentina “is at the top of every E&P company's list right now”, adding that the area could have even greater potential than the Eagle Ford shale in Texas. Repsol-YPF has discovered 9visual_editor7 million boe of shale oil and 4.5 Tcf unconventional gas in the region in the past year.
