Serbia reaches 10-year, 5 Bcm/yr import deal with Gazprom

Serbia's state gas company Srbijagas has agreed a 10-year, 5 Bcm/yr gas import contract with Russia's Gazprom, Reuters reported on Wednesday. Contract volumes are more than double Serbia's current annual needs but the country will not be penalised for unused volumes, with Gazprom eyeing the opportunity to construct new gas-fired power stations in Serbia.
