Lithuania seals LNG deal

Norwegian LNG shipping company Hoegh LNG on Friday signed an agreement to supply a floating LNG import terminal to Lithuania. The deal covers the ten-year lease and operation of a 170 Mcm floating storage and regasification vessel (FSRU) with Lithuanian state-owned company Klaipėdos Nafta, at a cost of \$156,200/day. The FSRU should be delivered to Klaipėdos harbour by the end of 2014.
