# Chevron signs Wheatstone LNG supply deal with Chubu

Amid ongoing plans to sell 80-85% of output from the \$9 billion Wheatstone LNG project in Western Australia (WA) by mid-2021, Chevron has reached a preliminary agreement with Chubu Electric Power to supply the Japanese company with 1 mtpa of LNG for up to 20 years. Chevron has now sold 70% of the 8.9 mtpa to be produced by the Wheatstone project to customers in Asia under long-term deals.
