# BG Group issues \$1.57 billion in hybrid bonds

BG Group on Monday issued \$1.57 billion in hybrid bonds to support the company's investment programme. The bonds, issued in tranches of £600 million (\$939 million) and €500 million (\$629 million), mature in 2072. BG Group said the issuance was "well received" by investors, and will "help underpin investment in significant growth opportunities, such as those in Brazil and Australia".
