Argentina boosts Bolivian gas imports by 20%

Argentinian President Cristina Fernandez de Kirchner on Wednesday signed an agreement with Bolivia to increase Argentine imports of Bolivian natural gas by 20% to 16.3 MMcm/d. As part of the "interruptible" sale contract, which will mitigate waning domestic production volumes, Bolivia will further increase the deliveries to 19.7 MMcm/d in 2013, with the aim of reaching 27.7 MMcm/d by 2017.
