Petrobras to increase gas production to 168 MMcm/d by 2020

Brazil's Petrobras intends to increase its domestic natural gas supply to 168 MMcm/d by visual_editor0visual_editor0, according to reports on Wednesday. However, Petrobras gas and energy director José Alcides Santoro told journalists that, despite the increase, Brazil will still need to import volumes from Bolivia for the foreseeable future.
