Rosneft threatens to sue Gazprom over Power of Siberia access

Rosneft has threatened to take Gazprom to court if it refuses to offer access to a planned 60 Bcm/year gas pipeline from Siberia to China. Rosneft released a statement quoting Gazprom chief Alexei Miller as saying the Power of Siberia link would be for his company's sole use. This, said Rosneft, is illegal as Gazprom is obliged to give independent producers access.
