Interview - E.ON Global Commodities CEO Christopher Delbrück

E.ON Global Commodities caught some by surprise with two recent transactions: a European hub-indexed SPA with Canada's Pieridae Energy for 4.5 mtpa from the planned Goldboro LNG plant and a further 1.5 mtpa from Qatargas's Train 7. E.ON Global Commodities' CEO, the straight-talking Christopher Delbrück, sat down with Gas Strategies for a chat about his ambitions for the group.
