TGS and Techint sign contracts for San Martin and Neuba II pipeline expansion in Argentina

Argentine gas transporter TGS has awarded a \$285 million contract for the expansion of the San Martin and Neuba II natural gas pipelines in southern Argentina to a consortium led by Techint. The 296 km, 30-inch diameter San Martin pipeline and the 160 km, 36-inch diameter Neuba II pipeline will be reinforced to increase their capacity by 2.9 MMcm/d. The pipelines supply the province of Buenos Aires.
