# Israeli investors eyeing stake in Tamar field

Israel's Harel Insurance Investments is holding talks with US-based Noble Energy regarding the purchase of up to a 4% stake in the Tamar gas field in offshore Israel, the company said over the weekend.

The Israeli firm has yet to finalise an agreement, but said the proposed deal is for a 3% stake in the 10 Tcf gas field, with an option to buy an extra 1% at a later date.
