Qatargas signs 20-year SPA with Pakistan's GEIL

Qatargas has signed a 1.3 mtpa contract to supply Global Energy Infrastructure Limited (GEIL) during the 2018-2038 period, marking the second long-term SPA between the Qatari company and a Pakistani customer.

LNG will be supplied from the Qatargas 2 plant, with the contract including the option for volumes to be increased to 2.3 mtpa, Qatargas said. Qatargas 2 is a joint venture between Qatar Petroleum, ExxonMobil and Total.
