Tellurian wins GE Oil & Gas investment in Driftwood LNG project

GE Oil & Gas has invested USD 25 million to help finance Houston-based Tellurian Investments' Driftwood LNG project on the US Gulf coast.

The proposed 26 mtpa plant in Louisiana, Tellurian's first liquefaction project, is currently in the engineering design and pre-filing phase. The Federal Energy Regulatory Commission (FERC) approved Driftwood LNG's pre-filing request in June.
