Swan Energy begins construction of FSRU project in Gujarat

Gujarat Maritime Board (GMB) has granted Swan Energy approval to build its 5 mtpa FRSU project on the northwest coast of India, the company said this week.

Swan LNG – in which Swan Energy holds a 51% interest alongside Exmar (38%) and Gujarat State Petroleum Corporation (GSPC) (11%) – is overseeing the project and has executed an EPC contract with National Marine & Infrastructure India (NMIPL) to construct the terminal in Jafrabad, Gujarat.
