Pakistan LNG buys 240 cargoes from Eni and Gunvor

Pakistan LNG has contracted 240 LNG cargoes from Eni and Gunvor through a recently-finalised supply tender, a source has told Gas Matters Today.

The European pair won two tenders, under which Eni agreed to supply 180 cargoes over a 15-year period at a 12.29% price slope to Brent crude and Gunvor agreed to supply 60 cargoes over a five-year period at a 11.62% slope to Brent, the source said.
