# Credit Suisse to oversee Tellurian's NASDAQ debut

US LNG developer Tellurian has appointed Credit Suisse to list the company on the NASDAQ stock exchange in a bid to raise up to USD 200 million to fuel its proposed 26 mtpa Driftwood LNG plant in Louisiana.

Tellurian will set the conditions for the sale, including the number of shares to be issued and the minimum price below which sales cannot be made. Credit Suisse will receive a commission of 3% of the gross sales price per share sold.
