OGA offers new 'innovative' licence to spur interest in UKCS mature fields tender

The UK's Oil and Gas Authority (OGA) has launched its latest E&P tender, offering 813 blocks in mature areas across the UK Continental Shelf. The round marks the first time in three years that mature areas have been offered.

The 30th licensing round includes blocks covering the Southern, Central and Northern North Sea, the West of Shetland and East Irish Sea, with the blocks covering a combined area totalling 114,426 sq km.

The round includes fields that have ceased ...
