Energy investment feast turns to famine as Covid-19 wreaks havoc on LNG – IEA

Global investments in energy are set to drop 20% in 2020, as the Covid-19 pandemic sets in motion “by far” the sharpest drop in investments in the sector since records began, the International Energy Agency (IEA) said in its World Energy Investment 2020 report, released today. Notably, the IEA said it does not expect any LNG ...
