

## Information Services - Enterprise Licence

Subscriptions to Gas Strategies Information Services include access to all three publication titles: Gas Matters Today, Gas Matters and LNG Business Review. They are available as an Enterprise or individual licences. Enterprise licences are for multiple users and come with a number of benefits including:

**Dedicated account manager** - Direct point of contact for any queries can be arranged by phone or face to face dependant on requirements and availability

**Volume discount** – Enjoy a more cost effective solution as the discount increases as base user number increases.

**Fixed pricing** – Manage your subscription cost effectively with fixed minimum costs for base subscribers.

**Introductory training** – Get the most out of your subscription and use all of the features with introductory user adoption training.

**On-going support** - Complimentary support for adoption of services and continued support throughout subscription to insure best utilisation of service and ROI.

**Statistical reporting** – Review your usage of the service with the usage report data.
